Sign Up Now!

A \$30 registration fee (\$15 for students, and free for public safety professionals) is required to cover event administration costs and then you can begin your fundraising! All participants must raise \$50 by the event day (including registration fee) and in return will receive an event t-shirt, goodie bag, breakfast, entertainment and prizes!

Fundraising Tools

Climbers are provided with access to the latest in fundraising technology including a personal web page and an email pledge system that makes fundraising fun and easy.

Stairclimb for a Cause!

Each step you take brings the Lung Association one step closer to eradicating lung disease. All proceeds go to important lung health research, programs and services as well as supporting and promoting clean air initiatives.
