

Dear Jumpers

On January the 14<sup>th</sup> and 15<sup>th</sup> 2012 the famous international Lauberhorn race will take place.

In this case we are operating about twelve helicopters from Airfield Lauterbrunnen like every year. The circuit will cut all your exit points in the Valley.

**Because of this we recommend to avoid the area of Lauterbrunnen from January the 11<sup>th</sup> till 19<sup>th</sup>!**

**On the 14<sup>th</sup> and 15<sup>th</sup> jumps in the vicinity of our heliport are absolutely forbidden!!!**

Thank you very much for your understanding and many happy landings!

Yours,

Team Air-Glacières Lauterbrunnen
